Project Applicant: City of San Luis Obispo – Jennifer Rice

Applicant's Agent: Rincon Consultants – Carolynn Daman

Project Name: Orcutt Tank Farm Roundabout

Receiving Water: unnamed tributary to Acacia Creek

City/County: San Luis Obispo / San Luis Obispo

Public Notice: February 18, 2021 – March 11, 2021

Project Description:

The purpose of the proposed project is to widen Orcutt Road.

The proposed project activities include:

- Making roadway improvements to the intersection of Orcutt Road and Tank Farm Road;
- Adding a roundabout, sidewalks, landscaping, drainage improvements, and a bioretention drainage basin;
- Extending an existing culvert approximately 20 feet to the west under Orcutt Road;
- Removing and replacing the existing headwall, wing walls, and footings;
- Removing and placing the rock slope protection with 13 feet of rock slope protection beyond the end of the new culvert; and
- Replacing the existing culvert pipe with a 60-inch culvert pipe.

Proposed Mitigation:

Enhancing 0.02 acres / 59 linear feet of riparian habitat.

The City of San Luis Obispo filed an Environmental Document on May 9, 2016.
